

## TWIN CITY MUZZLE LOADING CLUB, INC.

*Celebrate America's golden yesterday with the Twin City Muzzle Loading Club, Inc.  
Visit us at [www.TCMLC.com](http://www.TCMLC.com)*

Join the men and women of TCMLC as we relive the old ways and revive skills of a bygone era. Discover an America of keen-eyed long riflemen, skillful craftsmen, cheerful campfires and the aroma of hearty meals simmering over open fires. Don't watch from afar - join us in learning early American frontier skills, sharing the pride of craftsmanship and the spirit of self-reliance that sparked our humble colonies to a nation of greatness.

**The Twin City Muzzle Loading Club, Inc.** originated in 1956 as a non profit organization to promote interest and participation in the collection, shooting, and building of black powder firearms. They were officially incorporated as of January, 1957. The Twin City Muzzle Loading Club, Inc. promotes the safe and skillful use of antique firearms and replicas. However, this group is much more than, just a gun club. We promote and sponsor several shoots a year at various leased ranges. Our regular shoots are:

- Four winter shoots in January, February, March and April.
- Introduction to Muzzle loading and Basic Instruction shoot in early May.
- The Minnesota Black Powder shoot in August.

We also sponsor the Cannon River Rendezvous. This annual five day event is held over Memorial Day weekend

We hold our general membership meetings at Tri-City American Legion, 400 Old Hwy 8, New Brighton, MN. Our meetings are at 7:30 PM on the first Wednesday of each month. Members receive our monthly newsletter to keep them informed of upcoming shoots and rendezvous' from around the area. Our membership fee is \$25.00 annually.
